CDV-471IP - 7'' Screen Intercom Monitor

Product Description

The CDV-47IP is a 7-inch touchscreen colour TFT monitor, part of the 2EASY IP range.

The IP system facilitates connection through PoE, making the 2EASY IP range seamless and easy to use. It allows up to 32 door stations and monitors for a single house, 256 monitors for multi entry appartment blocks and 8000 monitors for complex buildings. In addition, the free mobile app allows users to control access from their phone by receiving calls (when connected to an internet router).

The compatible IP door stations are the CDV-91IP (single button) and the CDV-850IP (multiway).
