Security to Access

Datasheet

STANDALONE ACCESS CONTROL/ DGLI - Standard

Product description

Digiprox®

The DGLI range of proximity readers is offered in varied formats, to provide a real solution for contactless access control in the most demanding applications.

The reader is also available in a narrow style (DGLIFN).

All models are extremely easy to install, and the fixings are tamper-proof and vandal-resistant screws.

Key features

- Stainless steel proximity reader

- Low power consumption

- Internal or external use

- Audible and visual feedback

- Multicoloured LED's
